Pictures:

We will take class photos & individual package photos during the week of May 23rd during regular class time. Your child must be in costume and make-up even if you are not purchasing photos. It is a nice memento to add a class picture to your packet a la carte so it would be lovely if the whole class is there. Class photos will be taken for every class. It is very important that your child is there for the photo, even if you are not purchasing pictures as we do a studio run of your child's class.

We will take the class picture, then individuals. The class will then go to a studio and perform their recital dance. Video and snapshots of your child may be taken at this time only. This is our in-studio run of your child's dance. We make sure your child has the correct shoes and tights, hairpiece, and that everything is ready to go to the theatre.

For this to run smoothly your child must come dressed, ready and ON TIME for pictures. Group and individual pictures will be taken during class times. This means shoes and tights must be purchased by this date. Hair and makeup should look like it would for the performance. Pictures and video are strictly prohibited during the recital and cause a distraction to others sitting around you who also wish to enjoy their child dancing.

Photo forms can be picked up at the desk around the end of April and brought in with payment to Bill Krautler Photography the deadline is May 19th. The cost of a photo is 45.00 which includes 1 costume, 2 poses, 1group, additional costumes are \$25.00. This will be delivered by a dropbox link. Individual shots will only be taken of students who prepay, group photos will be taken of everyone. Please print your email address clearly on the form as that will be the form of photo delivery.

Digital Download

Available for \$30. Please make checks payable to Fusion Dance Company. Forms will be available in May. This is a wonderful memento of your child's progress, and your whole family will enjoy watching it again and again! Downloads will be ready sometime at the end of July. Please make sure we have the correct email address for you as that is how video downloads will be delivered and will only be downloadable for 30 days from the date sent.

Fusion Dance Company Presents: Resilience/17

****Please note:** Neither video recorders nor cameras will be allowed in the theater during the show. Flash Photography blinds the dancers on stage. Videotaping blocks the view of people behind you, and there is not enough space in the theatre for 100 cameras on tripods. You may video your child's dances during the dress run during picture week at the studio.

Tee Shirts: Souvenir Tee Shirts will be available for pre-order for a cost of \$25.00 plus tax. The shirts will have the Show Logo and all the students' names on the back! It's a wonderful memento of our performance. Please sign up on the appropriate form and pre-pay to order shirts in May.

Ads for Programs: you can purchase advertisement space in our recital program that reaches 750 people. Full Page \$150.00 Half Page \$100.00, Quarter Page \$50.00 Business card \$25.00 You can also use one of these sized ads to wish your child good luck. Please have the ad ready in PDF, JPEG, or PNG file ready for ads. Ads are due by May 1st, 2022 Please email to Missdiana@fusiondancenow.com with program ad in the subject line

Please sign up to Volunteer: Volunteers are vital to the production of our show. You can choose to be involved backstage, in the dressing rooms supervising the children or teens, during the show taking tickets, ushering, selling water at intermission, or being a hall monitor. All positions are vital, and if someone doesn't show up to do the part they signed up for, it throws a BIG wrench in the flow of the show. This year we are having a mandatory meeting Tuesday, May 24th at 7:30 during Picture week. We will go over what you will be doing, what time you need to be there, and what time you will leave. Sign-up for volunteering will begin via e-mail on April 1st. You can email Diana Griffin to volunteer and what position you would like and a second option, I will get back to you on a first come first serve basis. Miss Diana's email is

MissDianaGriffin@gmail.com. Once you have gotten confirmation from Miss Diana, she will meet with you during picture week and go over everything. If you are working backstage or in the dressing rooms, you will need to work 3 nights (Wednesday Thursday, and Saturday), some for-1st act only and some for 2nd act only, If you are a dressing room volunteer you will walk your child's group backstage and get to see them perform from the wings. We will need 2 parents for each group of classes ages 3-7, and 1 parent for ages 7-12. We also need parents for check-in and checkout, Dads are great for this. Dads cannot for any reason be allowed to volunteer in the dressing rooms for obvious reasons. But if you want to volunteer the check-in check-out is right outside the children's dressing room so if you are needed you will be right there. We will need 1 dad or mom each night for the boy's dressing room as well.

If your child has asthma, an epi-pen, or any medical device that may be needed, please send that with them to the theatre to keep backstage in case we need it. Please make us aware of any medical conditions, allergies, etc. so in the case we need it, backstage.

******Please note Dancers are PROHIBITED from leaving rehearsal for any reason until dismissed by the director.**

PLEASE, if you supply your own snack: Water bottles with your child's name on it are great-- DO NOT PACK SNACKS SUCH AS CANDY BARS, GUM, JUICE, ETC. Pack goldfish or pretzels, carrots, anything that does not leave a residue ANY SPILLAGE COULD RESULT IN A RUINED COSTUME; SNACKS THAT CONTAIN A LOT OF SUGAR WILL CAUSE THE KIDS TO BECOME VERY HYPER AND THEN VERY TIRED. Please make sure your children are rested and have a good meal before rehearsals AND THE RECITAL. *No snacks with peanuts due to students with peanut allergies*

If you have any questions, please call immediately! Please ask questions before the week of the recital, the only reason you should be calling the studio the day of rehearsals, or the show is if your child is sick. Please ask all questions ahead of time so you are prepared. 727-938-9008

Fusion Dance Company Presents: Resilience/17

Please Note: Fusion Dance Company will be closed on Wednesday, June 8th, Thursday, June 9th, Friday, June 10th, and Saturday, June 11th. Please make sure all students' belongings are picked up from the studio. All show info will be posted on our voicemail/ and website if you have any last-minute questions.

Parents/dancers: by cooperating with these instructions, you will help us run a smooth show. Rehearsals will start and finish on time! Although the dress rehearsal seems long, the children will be fine and well cared for. They will be very excited about being involved in the show and the time will go by fast.

Make-up: All Dancers need to wear Foundation, put on face, neck, and ears. All students should wear white, beige, pink, bronze, or gold as a base eye shadow, and black, grey, or brown as a contour ONLY. NO BLUE EYE SHADOW PLEASE! (Blue eye shadow gives the appearance of a bruised eye on stage). Apply Pink, rose, bronze, or peach blush to contour the cheekbones. Eyebrows should be darkened if very light. Eyeliner, only in black or brown, and of course, mascara. You may wear false eyelashes if your dancer chooses to. Do not apply lipstick prior to arriving at the theater...it will get on the costume. You may bring lipstick to be applied just before going on stage. The lipstick that you paint on and let dry and then apply gloss works best and doesn't get on their teeth or costume. Small Children need blush in the apples of the cheeks, if eyelashes and eyebrows are light go ahead and darken them a little, lipstick will be applied on them before they go on stage. All lips must be red. No nail polish is permitted on fingers or toes except clear.

Your child will appear washed out on stage without the proper makeup and will look like a ghost. We know that it can seem drastic or shocking on a young child, but this is "stage makeup"

Under Garments: If your child should need to wear a bra, or NUDE LEOTARD (for multiple changes backstage), they need to get the kind from a DANCEWEAR STORE or online at dancwearsolutions.com or discountdancewear.com with the clear straps. Dancers do not wear underwear under their tights. (This is known from dance etiquette). Dance brand tights have a cotton crotch, designed to dry quickly. Underwear doesn't allow this to happen, it harbors moisture and can lead to infections, and it causes unsightly lumps in leotards and costumes. Please DO NOT send your child in costume with underwear, under their tights, they will not be permitted on stage.

Buns: Moms (and Dads) please start bringing your daughters to dance class with their hair in a bun! PLEASE NO sock buns. This is proper dance etiquette and is also good for them to get used to having all their hair up. You will find instructions below.

Fusion Dance Company Presents: Resilience/17

How to get your daughter's hair in the perfect BUN!

1. Wet hair works best, apply gel or hair wax to the hair then brush hair back into a tight ponytail on the crown of the head (not the top of the head where the back of the head meets the top of the head). Bristle brushes and rat-tail combs will get the lumps out. Use a hair tie the same color as your child's hair

Wrap the ponytail in a hairnet, the same color as your child's hair (can be purchased at Walgreens, Walmart, or a dance store). Secure the hairnet to the ponytail by bobby pinning the hairnet to the hairband. Twist Ponytail and form a flat circle on the back of the head. Use "Bun" hairpins (bun pins are U-shaped and won't fall out, not bobby-flat pins) to secure the bun in place. If your child has a lot of hair or thick hair you may want to buy the thick hairpins by BUN HEADS sold at a dancewear supply store, or online. Wrap with a second hairnet, if necessary, to control short ends from sticking out. Secure the second net with bobby pins.

1. Use matching-colored hairpins where necessary.

2. After hair is in a bun, use hairspray all overhead and bun.

****When dry, hair should feel like PLASTER! Hair SHOULD NOT MOVE!**

Headpieces: When sending children with costumes backstage it helps them to be organized if you put headpieces, accessories, and tights in a zip lock bag with their name on it, and hang it on a hanger, with the costume. Headpieces should be attached with bobby pins in the form of an X. Make sure the headpiece is secure. You can never use too many pins! (Please make sure bobby pins are the same color as your child's hair).

It is important to put your child's costumes on hangers organized in order of performance, as we have volunteers to dress them backstage for quick changes. If they are not organized properly, it just adds to confusion and stress backstage. We will have a show flow at the desk in May, so you know what order the kids are dancing in.

NO JEWELRY (except rhinestone studs!!) Dancers will be required to remove all watches, rings, earrings, necklaces, etc. Please take the time to remove them before arriving at the theater -- it is very stressful on the child if a chaperone must remove items. We prefer that jewelry remain safe at home than lost in the dressing room! Please no Dream Duffels or huge dressing bags. If your child has multiple costumes buy a rolling rack. There isn't enough room for all those huge bags backstage.

What to pack: If you send your child with games, toys, etc., please clearly label your child's items so if left we may return them to you! Remember all pairs of shoes and costume accessories need to be affixed to the costume hanger in a baggie.

Theater Rules:

Camcorders, cameras, and flash photography are strictly prohibited inside the theatre and if found in use will be confiscated until after the show. As most theatre patrons know, dancers must stay focused to avoid injury. The flash from a camera in the audience is not only dangerous and blinds the dancers for

Fusion Dance Company Presents: Resilience/17

up to 30 seconds on stage but is disrespectful to fellow audience members. Please respect the theatre policies and leave the above items in your car! Please be respectful of your fellow audience members, if you are holding up your phone to video dance or take pictures you are blocking someone else's view! The videographer we hire is impeccable and will provide the highest quality video as we all know from last year.

Please turn off all cell phones upon entering the theatre! Please plan for a babysitter if you have small children. It's a small venue, and it's uncomfortable for the crying child, as well as the audience members, and most importantly our performers to have a child sit in the audience for a long period when they are upset.
