2 / Vision Statement and Code of Ethics

It's important to us at Fusion Dance Company that all members of our team share our vision, our purpose and the philosophy that encompasses everything we do, both in and outside of our classes. This is a vision that is shared and demonstrated by the directors, teachers, and staff members at our studio, and is the driving force behind every interaction with our students and their families.

Our studio Vision is to bring out the dancer in you by offering a high quality, fun, positive dance education that is designed around your goals and aspirations. Fusion Dance Company is a place where kids of all ages and abilities learn to dance, sing, and perform. This is a studio where creativity, individuality, and self-expression are encouraged, and has a team of teachers, students, and families who are passionate about the performing arts.

Our goal is to create a positive and happy experience for all our students. We strive to nurture and develop talent, celebrate the achievements of all students, and inspire a love and appreciation of all styles of dance and the arts. We are committed to providing a safe and positive environment in which all students can feel empowered, comfortable, and free to express themselves.

We encourage all our students and families to try a variety of dance styles and we are more than happy to accommodate trial classes for existing students who are wanting to try something a bit different. Please contact reception if you would like to try a new class and we will happily schedule you in for a trial (provided the class has not reached capacity).

Fusion Dance Company directors, teachers and staff members follow a strict code of ethics and expect that our students also adhere to these high standards within and outside of our studio. Our Code of Ethics must be followed without fail by our Competition Team, Performance Company and Ballet Company as well as any other group formed to dance outside of our studio walls.

9. Students and their families are expected to clean up after themselves; please be courteous of the people that will sit at the tables after you leave.
10. Dance bags must be brought into the studio with the student or stored on the shelves or hangers provided; dance bags do not belong in the middle of the hallways. Please put dance bags and shoes, etc. in the cubby area while dancing so that people sitting in the lobby are not tripping over them.

Parents are not to approach teachers or students during class, and if messages or food/drink/medication needs to be passed on to a student, it must be done through a **Fusion Dance Company** staff member. All parents must wait in the waiting areas or outside of the studios until classes have been dismissed.

7/ Age Groups/Class Requirements

Preschool Classes

First Steps- is an introduction to classical ballet and tap using creative, imaginative role-playing and fun props. This class may involve pretending to be animals, playing instruments to learn rhythm, learning balancing, skipping, and running and techniques using costumes and ribbons, or picking up “diamonds” (shhh...they’re just feathers) from the ground to develop their hand eye coordination. This class is suitable for both boys and girls who are having so much fun that they don't even realize that they are learning the fundamentals of dance technique along the way.

Tiny Tots is a class for our older preschoolers who are 3-4 years and about to get ready to start Kindergarten. The music for this class is fun and familiar to them and expands on the techniques learned by our younger classes. We do some warming up, stretching, progressions across the room (including skips, kicks, and basic turning skills) as well as putting together a dance for the recital.

Primary / Middle School Classes

Primary / Middle-School Ballet: In this class, our dancers build on their ballet technique using creative roleplay, costumes, props and will thrive from positive reinforcement. There are opportunities for students in this class to participate in ballet exams which will encourage them to progress through the program/syllabus and work hard to move up into the next graded level.

Primary / Middle-School Jazz: Our Primary / Middle-School Jazz students are building on the basics of jazz technique to popular and age-appropriate music. Some examples of the techniques our jazz students will learn include turns, kicks, leaps, and body isolations.

Primary / Middle-School Tap: In this class students would be learning the basics of tap technique as well as building on their sense of rhythm and their confidence when it comes to performances. Our tappers love dancing to popular, age-appropriate music and getting LOUD!

Primary / Middle-School Acrobatics: We’ve known for a long time that kids love nothing more than attempting and perfecting new “tricks.” Remember learning a cartwheel? We sure do, and it’s that sense of pride and exhilaration that we love to pass on to all students. Our Tumbling class is taught by our fully qualified gymnastic teachers and the class levels for this discipline are skill-based. The levels are beginner, intermediate and advanced and once our students have mastered the skills in their level, they move up to the next allowing them to develop their skills at their own pace.

Class Requirements

1. **A weekly, one-hour Ballet class** is required in the Brown, Green, Orange, Purple, and Red levels to participate in the following classes: Lyrical, Contemporary, and Modern. Ballet is not required for the Blue level classes, but is strongly suggested for the proper training of your dancer.
2. Placement in **Tumbling** classes are determined by skill level:
 - a. **Tumbling 1**: a beginning level class for ages 5 and older.
 - b. **Tumbling 2**: Student must be able to perform a Roundoff and a handstand
 - c. **Tumbling 3**: Student must be able to perform a Front Limber (handstand to a bridge and stand up)
 - d. **Tumble 4**: student must be able to do a Backbend Kickover
 - e. **Tumble 5**: Teacher Approved

8/ Safety

Included in your registration, you will have read and signed a media waiver allowing us to proudly use images and video footage of your student for advertising and promotional purposes. Should you have any concerns whatsoever with signing this declaration, please see our reception staff who will happily assist you.

We have several closed-circuit cameras / observation windows / parent viewing sessions within the studio rehearsal space which can be checked by parents and family members from the comfort of our waiting room. We have installed cameras in all classes, lobby, and front sidewalks for your safety. All our faculty have undergone official checks allowing them to work with children.

The directors and staff at **Fusion Dance Company** are educated in the negative impact of inappropriate music and costume selection when it comes to performing dance routines and are wholeheartedly committed to ensuring children in all our dance routines are not subjected to any inappropriate songs or costuming. We recognize that songs with sexist, explicit, violent, racist, homophobic, or criminal content may influence our dancers and/or audience and we will strive to avoid using such music. We are committed to restricting costumes that project sexuality and/or contain explicit graphics/content.

Our staff members have all been trained in first aid. We enforce a nut-free policy at the studio to ensure the safety of any students or parents with allergies to nuts or nut products.

Fusion Dance Company does not carry medical insurance for students. It is required that all dance students be covered by their families' insurance policies. If injuries occur, it is understood that the student's own policy is the only source of reimbursement. Students and parents understand that the risk of injury from activities involved in this program is significant, and will not hold **Fusion Dance Company** faculty, staff members, officers, other participants, owners, and leasers of the premises liable with respect to any injury, illness, disability, death, or loss or damage to person or property, whether arising from negligence of the student or otherwise, to the fullest extent permitted by law. Your signing of the registration form indicates your understanding and acceptance of this policy.

Your child's attendance in class is very important to their peers and our faculty. It is a commitment for you to ensure your child attends their classes on time each week. Not only do absences impact the recital routines we create, it also impacts the social and confidence-building principals we work hard to foster in each age group.
